Silver Jubilee

October 16, 2024

As Mayor of Washington, DC, I am delighted to congratulate Project REAP (Real Estate Associate Program) on the occasion of your 25th Anniversary.

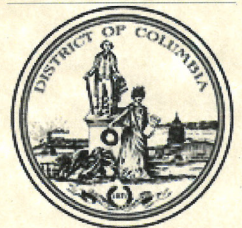

Project REAP was founded in Washington, DC to foster more diversity and inclusion by equipping underrepresented professionals with the necessary skills and knowledge to thrive in the commercial real estate industry.

Today, Project REAP operates in nine cities nationwide and has graduated in excess of 2,000 REAP Academy fellows, including more than 275 from the greater Washington area.

As you gather to mark your Silver Jubilee, may you be inspired to even greater success in creating a more inclusive and diverse commercial real estate industry.

On behalf of the nearly 700,000 residents of Washington, DC, I offer my heartfelt thanks for your exemplary work and my best wishes for a memorable anniversary celebration.
